Milovice

MILOVICE RADIO **130,540**

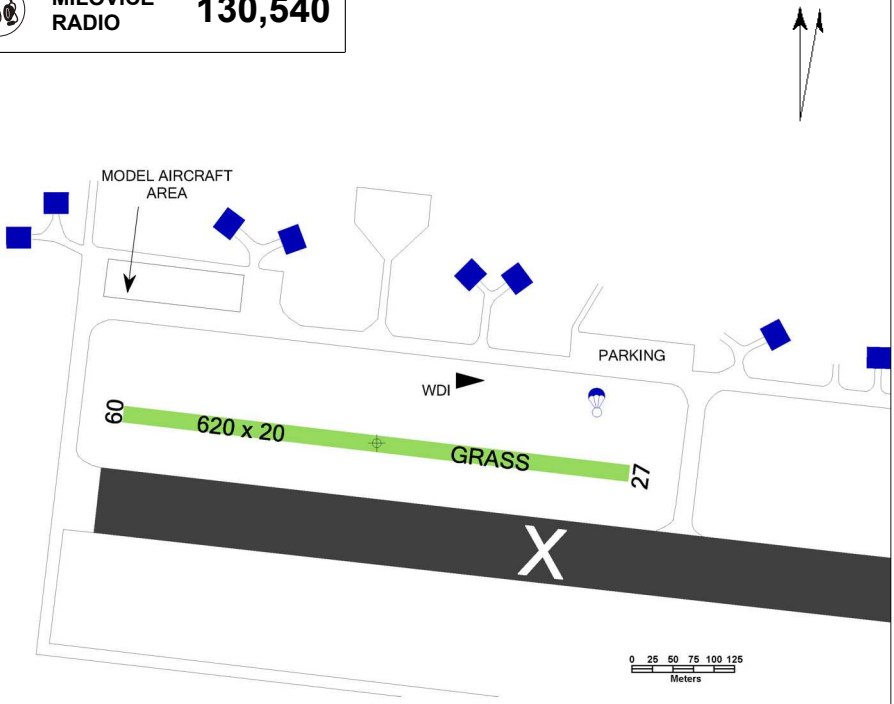

Private SLZ field

ARP: 50° 14' 16" N, 14° 54' 37" E
ELEV: 653 ft / 199 m

Private SLZ field. Do not overfly villages of Straky, Milovice, Vápensko, Zbožíčko below 1000 ft / 300 m AGL. Traffic circuit altitude 1750 ft AMSL. Do not perform low passes over the concrete RWY without permission from Milovice Radio. Frequent UAV testing 2 NM from the center of RWY 09/27. Turbulence may occur in southerly or northerly winds. Due to the proximity of the SLZ field Kostomlaty and its traffic circuit, the same frequency as at the SLZ field Kostomlaty is used. Exercise caution and watch for other traffic in the area while flying in the circuit.
