

## 1 LOCAL TRAFFIC REGULATIONS AND RESTRICTIONS

- 1.1 TWYs C, D, E, F and apron N are closed for aeronautical operation.
- 1.2 On the paved RWY operations of aircraft up to code marking 2B with MTOW not exceeding 25 t are permitted.
- 1.3 Taxiing via TWY G is possible only to holding position of RWY 07. From holding position of RWY 07 tow with cut off engines is possible only.
- 1.4 Available length of paved RWY is marked with displaced THR markings.
- 1.5 The traffic circuit direction depends on operational situation and is assigned by officer of Providing information to known traffic for particular aeroplanes. Northern traffic circuits are used in preference.
  - 1.5.1 Traffic circuit altitude is 1805 ft/550 m AMSL.
  - 1.5.2 Minimum altitude of final turn is 1149 ft/350 m AMSL.
  - 1.5.3 For training flights along traffic circuit at high 500 ft/150 m AGL southern traffic circuit can be used only.
- 1.6 For noise reduction flyover of villages Březina, Podolí, Mnichovo Hradiště, Loukovec, Kruhy and Sychrov is not allowed at flight along traffic circuit.
- 1.7 For arrival and departure of aircraft without two-way radio contact the pilot-in-command shall receive prior clearance of unit Providing information to known traffic or AD operator.
- 1.8 The ultralight aircraft operations are subject to approval of AD operator. Flights shall be conducted outside limits of neighbouring villages.
- 1.9 The aerodrome is not fenced. Enhanced caution is necessary during landings take-offs and taxiing due to possible presence of animals on movement areas.
- 1.10 Arrivals and departures of aircraft over 4000 kg of MTOW only on request 24 HR in advance via unit Providing information to known traffic available on phone number ☎ +420 603 197 336.
- 1.11 In winter, pilots are requested to verify landing area conditions before landing on the aerodrome.
- 1.12 Operation of jet airplanes is permitted under conditions approved by the aerodrome operator.
- 1.13 Aircraft operation is not allowed outside of the published operation hours.

## 2 ADDITIONAL INFORMATION

- 2.1 Planning of flights to/from LKMH
  - In case of combined VFR/IFR or IFR/VFR flights use in flight plans some of following routes:
  - 2.1.1 Flights plans for combined IFR/VFR flights to LKMH:
    - 1) ... OMELO L620 ULNIP VFR DCT

- 2) ... OMELO VFR DCT
- 3) ... HDO M748 ULNIP VFR DCT
- 4) ... TOMTI N869 OKX VFR DCT
- 5) ... RASAN P861 ASTEL VFR DCT
- 6) ... RAK P861 GOLOP VFR DCT
- 7) ... GOSEK Z39 ULNIP VFR DCT
- 8) ... TIPRU Z164 ULNIP VFR DCT
- 9) ... DEKOV Z31 ULNIP VFR DCT

2.1.2 Flight plans for combined VFR/IFR from LKMH:

- 1) VFR DCT LEMBI/NxxxxA(F)xxx IFR L624 HDO ...
- 2) VFR DCT ARTUP/NxxxxA(F)xxx IFR P733 TOMTI ...
- 3) VFR DCT ARTUP/NxxxxA(F)xxx IFR N871 LAGAR ...
- 4) VFR DCT ULNIP/NxxxxA(F)xxx IFR Z146 BEKVI ...
- 5) VFR DCT GOLOP/NxxxxA(F)xxx IFR P861 RAK ...

2.1.3 Aircraft can descend following one of the above mentioned routes up to MRVA see AIP CR, ENR 6-9.

2.2 Customs and immigration clearance

- a) on request at AD operator
- b) persons at the airport LKMH
- c) Cargo
  - import: Customs office Mladá Boleslav (transport is not arranged)
  - export: customs clearance at the nearest customs office, present Customs declaration at LKMH
- d) request submitted to AD operator shall contain the following information:
  - date of flight,
  - estimated hour of arrival/departure,
  - aerodrome of departure/destination,
  - type and registration mark of ACFT,
  - name of ACFT operator,
  - name, surname, date of birth and nationality of ACFT crew and passengers
- e) request is possible to submit by e-mail or by phone. Request form is available at aerodrome operator and on website of aerodrome.

Charges for customs and immigration clearance: 150 CZK/person/service

2.3 Aerodrome category for rescue and firefighting services: CAT 2, CAT 4 O/R min. 24 HR in advance in operational hours of aerodrome.

2.4 The aerodrome is not equipped with PAPI.
