Customs and immigration clearance: NIL

Before landing on RWY 25L/R the minimum height above road must be 20 m (60 ft). THR of RWY 25L/R is permanently shifted by 100 m for this reason. Permanently shifted threshold of RWY 25L/R is designated by threshold marks and flags. Landing distance available (LDA) is 660 m. RWY 25L/R is without restrictions for take-offs and that is in original take off distance available (TODA) 790 m. During the operational hours the landing T sign is marked out on the left of the RWY in use.
